NEW HOSPITAL OPENED MONDAY

Proclaimed By Medical Men And Government Officials To Be The Model Small Town Or Rural Hospital In All Canada—Equipment Of The Highest Quality And Latest Design—Staff Efficient And Experienced—Will Be A Boon To The Whole District.

Just two years 358 days from the time the new hospital project was announced, elapsed, until the doors were opened and patients received.

It was on the evening of January 14th, 1943 at Lions Club dinner meeting in The Village Inn, that Mr. A. R. Globe announced that the late Mr. Charles J. Eames had offered to donate the fine club house building and surrounding land on the golf course property, for hospital purposes and stated that a campaign to convert and equip the building would be started immediately.

On Monday morning of this week, January 7th, 1946, the doors of this fine institution were thrown open for the reception of the weak and suffering and West Lincoln Memorial hospital is now an absolute fact and a going concern.

Without doubt Mr. Globe is really the man responsible for West Lincoln Memorial hospital being an actuality. He surrounded himself with leading men and women from the various communities which the institution will serve and we may consider ourselves fortunate that we had such a human dynamo in our midst. "Sandy" a big man in any company, and like most truly big men, modest and without thought of taking credit for his own good deeds, yet liberally giving credit to others, he proved an admirable leader throughout the whole, long campaign.

Few people knew of the obstacles that had to be overcome in making this hospital a reality. Few men would have continued in the face of these difficulties which were to "Sandy" just a challenge and mastered in that spirit.

After many months of diligent planning and confering with heads of other hospitals and Ontario Department of Health officials the light of day began to break. During the course of two and more years several methods of raising funds were put into operation by the men in charge of affairs and much organization work was done.

The late Charles J. Eames, whose generous donation of the fine stone building and land started the project of West Lincoln Memorial hospital.

FACTS & FANCIES

JANUARY PEACHES

Commenting on the announcement of the Ontario government that there is no intention of banning the red netting on-peach baskets, The Ottawa Citizen wants to know how the growers of this district intend to retrieve their reputation, "so badly tarnished in 1945." And that paper adds:

"The Niagara fruit-growers have six months or more in which to act. To stimulate more positive thought, perhaps they might obtain a copy of this month's issue of Country Life, published in Vernon, the official organ of the British Columbia Fruit Growers' Association. It shows how British Columbia fruit men seek to improve fruit packing so that the reputation of West Coast fruit may be enhanced."

"In describing a method of handling and shipping fruits as if they were eggs—and involving, presumably, their inspection—the writer of the article truly observes, that beauty is the only justification for the continuance of shipments to competitive markets. Ontario fruit growers, wedded to their old ways may, perhaps, be forced to appreciate this fact if they fail to find buyers for their netting-covered baskets next season. The loss would be Ontario's, for this province can produce such excellent fruit."

MAN'S SEVEN MISTAKES

Man's imperfections lead him to make mistakes in life, and the pointing out of these qualities has engaged the attention of philosophers and reformers in all ages. A recent writer enumerates what he considers to be the seven greatest mistakes of man:

1. The delusion that individual advancement is made by crushing others down.
2. The tendency to worry about things that cannot be changed or corrected.
3. Insisting that a thing is impossible because we ourselves cannot accomplish it.
4. Refusing to set aside trivial preferences in order that important things may be accomplished.

5. Neglecting development and refinement of the mind by not acquiring the habit of reading.

6. Attempting to compel other persons to believe and live as we do.

7. The failure to establish the habit of saving money.

WHY THE PAST LOOKS BETTER

Some people talk about the "good old days" as if the times of years ago were better than the present, and gave better chances for success and enjoyment. A noted preacher explained this feeling by saying that those who make this remark are usually elderly persons.

They look back to the time of their youth, when they were full of energy and ambition and the power of achievement. They were able to take an active part in work and business and community efforts. Their activity made them happy, and it seemed easier to accomplish things. That gave them their present feeling that those old days were better than the present ones.

The greatest pleasure in life does not seem to come from the full attainment of our efforts. It seems to come rather from the exercise of our powers while we are working for these ends. There is a great satisfaction in doing something successfully, in conquering situations and overcoming difficulties. That satisfaction seems to outweigh the pleasure that comes from the full attainment of one's ob-

jectives. . . .

that people were not behaving as well as formerly. . . .

When people reach elderly years and have to retire somewhat from active life, there is a sense of loss of former powers. They can be comforted by the thought that they have helped on the causes of progress, and contributed their part to human advancement, and that the world is really making progress toward the higher goals.

BRITAIN FEELS LOSS OF CHURCHILL

Letters from friends in England indicate that wartime privations are even worse than they were during the war, writes Lewis M. Mangan. A friend who voted for the Labor Government, in admitting that the country was in a bad state, consoles himself by saying that things would have been no better if Churchill had been returned to power. But it is obvious that my friend is disappointed and that he expected something more from the new government.

Judging by this and other letters, and by talks with returned men, there seems to be a growing feeling among people who voted for the Labor Government that they have made a serious mistake. They are realizing what the loss of statesmen like Churchill, Eden and Lord Woolton means in the decline of national and international leadership. Churchill was a tower of strength and an inspiration to the British people throughout the war, and the mistake that they made was in assuming that they could now forget all about the war and its international consequences and return at once to internal politics. They were misled into believing that the nationalization of the bank of England and of various industries would at once usher in a new era of social security. Churchill did not promise them this, but he did promise practicable reforms and a rebuilding of world trade, and he told them that they must work and sweat as they had done in war if they were to achieve those ends.

But the British people were work-tired and hungry, and too many listened to the false prophets of ease and plenty under a socialist order. And they are still hungry. A Canadian friend, who recently returned from a three months' business trip to England, gave me a very gloomy account of conditions in London and other large cities. He said the shop windows were all boarded up and that long queues of people, with depression written on their faces, were lined up waiting to get their small rations of food. Often enough, he said, those at the end of the line would find there was no food left for them. They were allowed a small portion of meat per week, and the one egg per month could seldom be obtained. He said there was more need than ever for sending old clothes and food to the Old Country.

Referring to the result of the general election, my friend said that many people voted for the Labor Government in the belief that Churchill would "win too easily," and that they wanted to give the Conservatives a "jolt." Some who admired Churchill as a war leader were afraid that he might develop into a peacetime dictator if he had too large a majority. Now they realize that he should have been left to "finish the job" so far as the peace settlement is concerned. With Churchill and Roosevelt out of the way, Stalin is the sole survivor of the "Big Three," and he is making the most of the personal prestige and power bestowed upon him as a world war leader.

But whatever may be the explanation of present conditions in Britain, the people need more than our prayers or sympathy; they need immediate help in the way of food and raw materials, of which Canadians have far more than they need. They were deeply depressed and disappointed over the United States loan, and they felt that it was a poor reward for all they had suffered in the war. At the outbreak of the war Prime Minister Mackenzie King declared that Canada would "stand at Britain's side," and in this time of economic distress Canada must again go to the aid of the British people. Canadians have prospered in the war, and they will prosper in the peace by generously supplying the needs of Britain, as well as those of the want-stricken peoples of Europe. "Cast thy bread upon the waters, and thou shalt find it after many days."

Letters to the Editor

Detroit, Mich., Dec 28, 1945

The Grimsby Independent
Grimsby, Ont.
Gentlemen:

Just was shown a picture of the old Grimsby Independent Band. I am sure my grandfather the late J. J. Groce had one of the same pictures.

What I am writing you about is the article you had at the bottom of the picture stating that none of these men are alive to-day. I had dinner at Xmas with the snare drummer or kettle drummer as us kids used to call them, he being my father Art Groce. He was quite gay and doing a very good job on a fowl. He lives at 489 North River Drive, Marine City, Mich.

This letter was sent in good spirit and hoping that maybe some of the old boys that are still around might remember him. Thanking you, I am,

Very truly yours,

Archie Groce

MORAL: Please be patient if the party you are calling, like Mrs. Stewart, doesn't answer right away.

By waiting at least thirty seconds you often save yourself a second call.

And you will save your friend the annoyance of finding no one on the line.

Bicyclists Pay A Little Attention

For the guidance of cyclists, we print the following safety suggestions from the Ontario Motor League:

1. Don't ride more than two abreast at any time, and keep in single file in traffic.

2. Don't change direction suddenly.

3. Don't ride closely behind a motor vehicle. It may stop unexpectedly.

4. Keep your hands on the handlebars.

5. Don't pass motor vehicles on the wrong side.

6. Don't attempt to ride up steep hills.

7. Keep a close watch on street intersections and turn corners slowly.

8. Give signals before making left turns, and make right turns close to the curb.

In addition the League has the following to say in general about cycling, particularly as it applies to the problems of motorists:

"Bicyclists should bear in mind that the bicycle is classed in the Highway Traffic Act as a vehicle and subject to the general rules and regulations applicable to vehicles."

"Bicyclists, therefore, are required to observe stop regulations, traffic lights, the right of way rule at intersections and all the other rules of the road that govern vehicles generally."

"As there are thousands of boys and girls attending public and high schools who ride wheels, it would be well if the teachers could find time to impress upon the pupils from time to time the importance of following the helpful suggestions made by the Ontario motor League."

In silence we remember.

Wife and family.

MISENER—In loving memory of our dear husband and father, W. C. Misener, who passed away three years ago, Jan. 7th, 1943.

They say time heals all sorrows
And helps us to forget,
But time so far has only proved
How much we miss him yet.

Remembered always by wife,
daughter and sons.

GODDEN—In loving memory of my dear son and brother, Edward Godden, who passed away January 7, 1929.

A silent thought, a secret tear,
Keeps his memory ever dear.
Time takes away the edge of grief
But memory turns back every leaf.

Ever remembered by Mother,

LOCKE—In ever loving memory of our dear daughter, Doris Loreen, who passed away January 12th, 1937.

Tonight the stars are gleaming
On a lonely, silent grave,
Where sleeps in dreamless slumber
One we loved but could not save.
No one knows the silent heartaches,
Only those who have lost can tell
Of the grief that we bear in silence
For the one we loved so well.

Always remembered by father,

This week's films are: "The Milky Day," a film on the Dairy Industry, "French Canadian Children," and "Eyes and Their Care." Last week "Animals at the Zoo," "Elephants" and "Bears," were shown at the Public School.

The Board of Education has installed an electric enclosed Babcock Tester in the Science Laboratory to replace the former one which was considered quite dangerous.

Cubbing

After the Grand Howl the Pack divided into two groups for Dodge Ball and an old revival "Musical Arms."

Bagheera took a group in the voyage of Jungle health. This group is working very hard to get their First Star and are nearly ready. The ones with one eye already open practised their signalling under their Senior Sixer.

During the Bones collection the Sixers reviewed their cubs in the five knots.

At the closing camp-fire, Billy Tennant was presented with his Toymakers Proficiency Badge. Douglas Swazey was admitted to the circle around the Totem, as he had passed his tenderfoot tests and was invested by Akela, assisted by Baloo and Bagheera.

All the cub members received their registration cards showing their membership in this branch of the Boy Scouts Association.

SPORTOLOGY

(By Bones Livingston, Sportologist)

MOLARS, MOLARS, WHERE'S MY MOLARS—In 25 years there have been a lot of funny and freakish things take place in the ARENA, but it remained for BIG RUSHTON to provide the comic touch of them all. The BIG BOY is leaning over the boards, in the players' box, spittin' and sputterin' as usual, when ZING-G-G-G out onto the ice fly his lower plate. KINGS and PORTS were having a face off. RUSH sent two different players to tell Red Dunn he had lost his false teeth, but RED was busy refereeing a hockey game and false teeth were the farthest from his thoughts. Then RUSH broke all the rules of hockey and bounded out on the ice himself. RED promptly slapped a two minute penalty on him which TYLEE had to serve. Finally things got straightened out and RUSH got his dentures back but they were badly damaged. I would suggest that RUSH fasten his false teeth in with LePage's glue in the future.

KINGS TAKE THE PORTS—Flashing a speed attack backed up with plenty of defensive checking PEACH KINGS won their opening home game in their group on Friday night last when they took the PORT COLBORNE LEGION team into camp by a 4-2 score. While KINGS had command of the situation at all times, still there was no time that they had any runaway play. This PORT team are no set-ups and every team in the group will know that before the season is over. KINGS snared one tally in the first period when WHITFIELD drove one home on a pass from REID. Both teams had been travelling at lightning speed through the whole 20 minutes and it was really anybody's period. In the second frame KINGS failed to score but WADE evened the count for PORTS unassisted. The third stanza was real bang-up, hot hockey. The play was terrific from gong to gong with the PORTS tiring on end. TYLEE scored one unassisted to put KINGS in the lead and then WARNER came through with a brace of goals, both on passes from REID. During the game KINGS garnered six penalties including RUSHTON'S and PORTS got five. KINGS look to be a strong outfit on defence and they certainly have plenty of speed on the front lines, although two or three of the lads look to be a little bit light for heavy going. In fact TALLMAN played this game all strapped up with two cracked ribs. PYSDONKY looks like he is a find for the defence. He is a powerful big boy with plenty of speed and knows what it is all about. Unfortunately he suffered a skate cut on the forehead on Friday night that required seven stitches to close. WADE of the visitors also received a cut on the head from a flying puck that required three stitches. It was a good game to watch and the large crowd of fans present went home well satisfied that the KINGS are going to be a powerful team for any team to take.

MUDCATS ARE COMING TO TOWN—Friday night at the local pneumatic factory KINGS will entertain their friendly rivals of many years standing, the DUNNVILLE MUDCATS. The boys from the south took a 15-3 sloughing at the hands of the KINGS 10 days ago, but they have another game or two under their belt since then as well as practice and should be a far stronger team than when the two first clashed. There will be some old familiar faces on the CATS in SOGGY GREEN, BUZ, PHILLIPS and the one and only bouncing ball, SKEETER VAUGHAN, the greatest boxoffice boy that ever played in the FRUIT BELT. This game should be a crowd pleaser so don't miss it. The puck will drop at 8:30 sharp, so be on time.

GRIMSBY LIONS MINIATURE NATIONAL HOCKEY LEAGUE—Four Games Played in Opening League Fixture—On Saturday morning last at the Grimsby Arena the lid was pried off for the regular league schedule and four good and not so good games of hockey were the result. In the opening game, the Minor Series held forth and Syracuse and Pittsburgh battled to a 3 all tie. Bobbie Start and Jack Lawson were the goal getters for Pittsburgh while Freddie Nelles and Ronald Wicheruk did the scoring for Syracuse. The second game saw Canadians defeat Rangers by a 3-1 score with Don Rooker, Captain of the Canadians scoring all three goals. Rangers lone tally was scored by Frank Poole. The third game saw Maple Leafs take the whitewash brush to Boston and give them a 2-0 lacing. Bruce Selby and Billy Nelles were the marksmen for the Leafs. Boston did not seem to be able to get organized and turned in a poor game. The nightcap saw Detroit and Chicago play a very poor game of hockey and although Detroit managed to win by the score of 2-0 it was not very impressive. Alan Scrivener was the goal getter for Detroit and seemed to be the only one on the ice that knew what to do with the puck when he secured possession of the same.

DETROIT—Robert Fisher, Captain; Frank Cox, Burston Verner, Allen Bentley, Richard Dousett, Lawrence Weninger, Kenneth Black, Alexander Weninger, Albert Mitchell, David Winski, Leslie Walters, David York, Clifford Schwab, Merritt Anderson, Alan Scrivener, Bruce Horrell.

CRAWFORD STILL THE BEST PEACH—PEACH QUEENS have finished the first half of their schedule and the CRAWFORD team topped the summary with 33 points followed closely by VEDETTE and VALIANT teams with 22 points each and VICEROY with 31. . . . Last week DORIS MACKIE on the ST. JOHN team rolled 201-217-210 for a 628. . . . ATTENTION QUEENS, there will be a special meeting of the team captains in THE INDEPENDENT office on Monday night next at 7:30 o'clock. Captains are urged to be present as there is important business to be discussed.

THEY STILL KEEP BOWLING ALONG—Festive season is over and the boys nerves are settled down and the MEN'S league is under way again. . . . Monday night WEST END performed the hat-trick and took three games from the IRON DUKE, without rolling up any world-beater score either. . . . GAS HOUSE have started off with another explosion. They had eight games over 200, with POOR PERCY SHELTON leading the parade with 237-204-287 for a high 728. The three games were 1040-919-1237 for a 3196. At that PONY EXPRESS took the second game with 995. . . . BLACK CATS done a lot of clawing with the FIREMEN, taking four points. They had three games over 1,000 for a 3105 total. BING COSBY was ergoing in fine style with a 285-229 242 for a 756. They had 10 games over 300. . . . BOULEVARD took four points from the COUNTER HOPPERS, with the VILLAGE BANKER being top scorer. . . . Tuesday night GENERALS took three hot games from the NAIL PUNCHERS, thanks to HAROLD WALTERS who trundled a 308-273-259 for a sweet 830. . . . BROCK SNYDER has the PEACH KINGS bowling on high gear. Minus LITTLE WHIZZER the bold bid PIRATES were not so bold and so bold against PIN TWISTERS but at that they managed to get the odd point. . . . On the outside MR. BAXTER, K.C. has the WEST END going. . . . The day had a grand three game total of 2975 against the 2975 mark.

Major Dr. Vance R. Farrell, recently returned from long service overseas was the guest speaker of the evening and gave the club members an interesting talk on his wide experience across the pond.

Dinner guests for the evening were ex-Mayor Chas. T. Farrell, George Nelles, M. J. Robb of the Experimental Farm, and Leo Martin of Vineland.

It was announced that the Zone meeting of the Lions would be held in Beamsville on or about April 10th.

Chief Lion Russell Terry presided, and a full attendance of members were present to discuss the fine repast served by Mine Hostess Peggy O'Neill.

AIKENS DEFEATS

The vote in all divisions was mixed up in all kinds of ways which indicated very clearly that no definite slate was being run and also that the ratepayers had very different views on the proper men to fill their council seats.

In the town one would hardly know that it was election day. There was no contest for any public office and the only matter to hold the taxpayers' attention was the bylaw asking the ratepayers whether they wished to dissolve or retain the Water Commission. Only 334 voters were polled out of a possible 1400. 64 of these voters were in favor of dissolving the Commission and having the affairs of that body conducted by Town Council and 170 were not in favor and as a result the bylaw was defeated and the Water Commission will continue to function as heretofore. The town vote would only be about 22% of the possible.

CHARLES H. WARREN

The Reverend and Mrs. R. C. Standerwick received news this week of the death of Mrs. Standerwick's father, Charles H. Warren of Sexsmith, Alberta.

Mr. Warren, who was seventy-seven years of age, had been a miller throughout his life.

Born in Prince Edward Island, he came to Alberta in 1920 and finally settled in the Peace River Country, establishing the Sexsmith Milling Company at Sexsmith, Alberta.

Two years ago Grandad and Grandmother Warren, as they were affectionately known to hundreds, celebrated their golden wedding anniversary.

He is survived by his wife, one daughter, Mrs. R. C. Standerwick, and two sons, Lea of Sexsmith, Alberta, and Nelson, a Lieutenant Commander in the United States Navy. Two other sons, Walter and Pope gave their lives for their country in the First World War, both being killed in action. The youngest son, Stanley, was killed in a plane crash in 1940.

A loved and respected member of his community, Charles Hammond Warren will be missed by many.

JAMES SMITH McNINCH

Funeral services for the late James Smith McNinch, of Jordan, beloved husband of Edith Awrey McNinch, were held at Talman's Funeral Chapel, Campden, on Wednesday afternoon last. Rev. Dr. J. P. Jones of the Jordan Station United Church officiated at the Chapel, the service being largely attended by sorrowing relatives and friends.

Interment took place in Queen's Lawn Cemetery, Grimsby, where the grave was banked with many beautiful floral pieces. Rev. Dr. Jones conducted the committal and the following gentlemen acted as casket bearers: Walter Troup, Frank Hannigan, Orval Honsberg, Albert Sisler, Walter High and Bruce Haynes.

The late Mr. McNinch passed away early Monday morning at the Niagara Peninsula Sanatorium after a short illness. He was born in Grimsby 64 years ago and had farmed in this vicinity most of his life.

To mourn his passing he leaves his wife, three sons, Clifford of Tonawanda, N.Y., Douglas and Charles of Jordan and one daughter, Mrs. Curtis High (Vera) of Kenmore, N.Y. He also leaves two brothers, George of Grimsby and John in Detroit and seven grandchildren.

How can you expect world problems to be solved at once when an individual has to consult a fortune teller before making up his mind about his own difficulties.
